TREE & ARBOR CARE ACADEMY

The Prescription Pruning Advantage

Friday, October 16, 2026 • 8:00 AM–3:00 PM

UF/IFAS West Palm Beach County Extension
559 N Military Trail, Exhibit Hall A
West Palm Beach, FL 33415

A complimentary learning experience for professionals responsible for tree care on residential, commercial, and municipal properties. Learn the science behind prescription pruning and how to make informed decisions about tree health, stability, and long-term care.

Event Sponsor

WHAT YOU'LL LEARN

- An objective-based approach to pruning
- How pruning decisions affect tree resilience and risk
- What those decisions mean for long-term budgets

Lunch to be provided.

RSVP at www.LandscapeInspectors.org/Tree-Academy

Questions? Call William Byrnes at (954) 234-0540

THIS EVENT IS BEING PRESENTED BY:

Landscape Inspectors Association of Florida (LIAF) sets the standards for landscape professionals and provides education for the Landscape people of all phases of Florida's green Industry.

The International Society of Arbiculture (ISA) Florida Chapter promotes the professional practice of arboriculture and is setting the standard for science-based care of trees.
